## Grand Knights Report

### Brothers,

Happy New Year. I hope you all had a wonderful and Holy holiday season. I am looking forward to the new year and Spending time with you all at our Events.

I would Like to encourage you all to help us grow our council in the next few months. Please take a Hard look at all our Catholic Men ask them to Join with us. I have included an excerpt from our State Deputy Jim Caffey on membership from this month's Knights Call. From Jim Caffrey:

"The fraternal year began with my visit to the Supreme Office

where I met with the Supreme Officers and Board members and was installed as the Colorado State Deputy by the Supreme Knight and Supreme Chaplain at St. Mary's Church, the birth place of the Order. Upon returning to Colorado many of you attended the Organizational meeting where I asked you to be "*United in Faith, Family and Service for the Glory of God*". Since that time I have been able to visit with many of you to present Shining Knight Awards, Star Council

Awards, conduct training sessions, help with membership drives and attend exemplifications. You are truly living your Catholic faith while being united in the works you do.

I also asked you to "*Recruit a Knight to Change his Life*" by asking the man in the pew next to you. Well, as of today you have done a fantastic job in offering membership in the Order to over 450 Catholic men. This amounts to approximately 47% of our goal set by the Supreme Council. Because of your hard work and dedication, the state received over \$2,100.00 in membership incentives to help us get our message out to our state as to why it is so important for every catholic man to join the Knights of Columbus. When we increase our numbers, we increase our ability to make a difference in our communities and increase our charitable footprint. New members also reinvigorate your councils and allow for new ideas and methods to flourish while adding the much needed help to those who have been doing the great work of the Order in the past."

Again, Thanks for all you do.
